

Star Gazing Farm

A haven for retired farm animals and wayward goats

2011Wish List

Some of the best gifts you can give the animals are those that will be put to immediate use. If you'd like to contribute with gifts in kind, you can feel good that you are helping in a very direct way. We provide charitable contribution receipts for such gifts.

Most items can be obtained from pet stores, grocery stores, hardware stores, Tractor Supply, or Southern States.

*** indicates heavily used items*

Carefresh litter for rabbits **
Paper towels **
Contractor garbage bags**
Dry dog food (adult) **
Fresh greens and fruits for the animals **
Stamps
White exterior paint (for fences)
1x6x6, 1x6x8, 1x6x16 fence boards
Gas cards
Cotton lead ropes for horses
Scrub brushes and sponges**
Garden rakes & wide barn shovels
Contractor strength hoses, all sizes
Wild birdseed (for our hungry local birds over the winter)
HP printer cartridges type 60xl (color and black & white)
Lowe's, Tractor Supply, Home Depot, or Southern States
Gift Certificates

Larger items:

Disc harrow for our tractor (Kubota B2910)
Stock or configurable horse trailer that can pass MD inspection
A pre-built 4x6 chicken coop (Amish-style structure with cross ventilation) for quarantining and caring for special-needs birds.
A pre-built Amish-style building that can be used for wool storage and a gift shop

Other ways you can help!

- We participate in the Empties4Cash non profit program and collect used inkjet and laser toner cartridges for recycling. We have a box at the farm, and can order more boxes if you have a location to place one for collection.
- Tell your friends and family who work for state, local, or federal government that we participate in the Combined Federal Campaign (including campaigns with Potomac Area, National Capital Area, St. Mary's County, and Chesapeake Bay Area): CFC # 86412
- Let us know about alternative gift fairs and opportunities for outreach.

Power washer
Air compressor (sufficient for large tractor tires)
Gas-powered wood splitter
Digital camera that can also take video clips
A dump truck load of stone dust
Pop up tent
Wood stove for our crafts studio
