

# Star Gazing Farm

A haven for retired farm animals and wayward goats

Star Gazing Farm Animal Sanctuary provides safe haven to abused, stray, and neglected farm animals and offers educational programs and community service opportunities to young people.

## ★ the bunny motel ★

Star Gazing Farm provides a bunny sitting service in a dedicated room just for small mammals. We have 3-story condos as well as extra playpens, timothy and orchard grass hay, fresh greens, and lots of toys. We give each bunny who visits a lot of individual attention and love!

### Special needs animals

We have experience in administering oral and ophthalmic medicine, administering injections of subcutaneous fluids, and can maintain your rabbits' special diet.

### Do you only take rabbits?

We are happy to board rabbits, guinea pigs, chinchillas, as well as gerbils and hamsters. Because of their small size, gerbil and hamster owners need to provide their own cages/habitats for the duration of their stay.

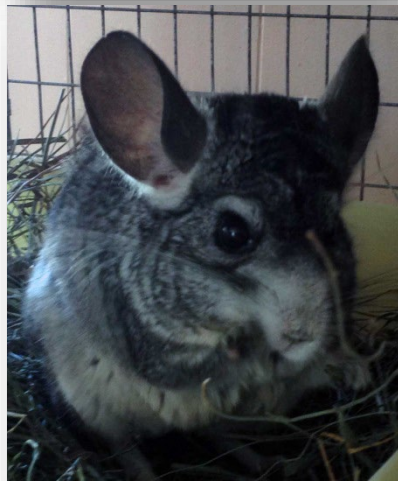

### How do I reserve a stay?

Go to our web site at [www.stargazingfarm.org](http://www.stargazingfarm.org) and click on tab for "Services", and then "Bunny Motel" to fill out our reservation form or email [bunnysitting@stargazingfarm.org](mailto:bunnysitting@stargazingfarm.org).

### Our Rates

Single:	\$25 per day
Bonded Pair:	\$28 per day
Trios:	\$30 per day

\*\*If you are planning an extended stay for your pet, please contact us for long-term rates.\*\*
